

Upper House-Wide Tryouts

March 7th and March 13th at Crocker Amazon

Note: these are open tryouts, which means any child in the appropriate age group may show up to tryout for the teams listed below.

The information on pitches will be updated one week before the tryouts. All tryouts will be at Crocker Amazon on turf pitches, rain or shine.

Upper House provides teams a field and a time slot for tryouts and plays no other role. Each individual team chooses how to run their tryouts. On the day of the tryouts there will be many different teams each running their own tryouts, and the format of each team's tryout will be unique to that team. If you have questions about a particular team, please contact the coach/manager using the contact information given below.
